

Admission Checklist

- ✓ Comfortable clothing for 7 days
 - Due to IV's, weight gain is common after surgery
 - You will need clothes you can freely move in for therapy sessions (we do not recommend jeans)
- ✓ Athletic shoes
 - The stability provided by good footwear is needed during therapy sessions
 - Tie shoes are preferred to reduce risk of your foot sliding out of shoe
- ✓ Robe
- ✓ Personal care items
 - *Toothbrush, *toothpaste, *brush/comb, *deodorant, make-up, shaving kit
 - *Items provided by facility but residents can bring their own preferred products from home
- ✓ Glasses/contacts/hearing aids/storage cases
- ✓ Medication list from home
 - We need to compare this list to the medication list provided by the hospital
- ✓ All adaptive mobility devices you currently have at home
 - Walker/wheelchair/cane: your therapist can custom fit these devices for your personal use
- ✓ Insurance information/cash
 - Your insurance information will be verified for proper coverage of your stay
 - You might want cash for miscellaneous items (i.e. pop, haircut). A petty cash account is available in the business office. We recommend that you not keep cash or valuables in your room.
