Treatment Plan

Treatments are typically one hour, two to three days a week, depending on your needs.

Out-patient therapy sessions take place in the gym at Dove Healthcare-West. Therapy sessions can take place in your home, if you are a resident of an assisted living facility in Eau Claire.

Payment

With a prescription from your physician, Medicare Part B and most health insurance providers reimburse a limited number of visits. Before starting treatment, we will check and verify your insurance coverage.
