Hi Everyone,

My name is Steve Hay and I was recently hired to serve as Chaplain for Dove Healthcare-West. I have lived in Eau Claire for 32 years, having worked most of that time as a sixth grade teacher with the Menomonie School District. I retired from teaching three years ago and following a desire to serve others in a ministry setting. I completed a year-long Chaplain training program at Mayo Clinic Health System – Eau Claire last year. Along with this position, I also serve as an on-call chaplain two nights a week for Sacred Heart Hospital.

I have been married to Julie for almost 17 years and we have three children ranging in age from 26 to 32. We also have a 14 month old granddaughter that we love spending time with. Along with my family, I spend time volunteering at our church Jacobs Well, spending time with our extended family and friends, going for runs around the city, playing with our dog, doing projects around our home and for others, and watching the Packers play.

I am very honored to be able to work at Dove Healthcare-West and serve the needs of the residents and staff. I hope I have the opportunity to meet with each of you in the near future.

Blessings to you,  
Chaplain Steve Hay
