

OUR COMMUNITY OF CARE *welcomes you!*

As innovative healthcare providers and community partners, we provide compassionate care to the Chippewa Valley.

Long-Term Care needs are met by a highly skilled staff at **Wissota Health** and **Dove Healthcare - South and West**.

Transitions Rehabilitation is located at **Wissota Health** and **Dove Healthcare - South and West**. Our in-house therapists use the latest rehabilitation techniques and equipment to help in-patients and out-patients return to their normal lifestyle.

Transitions Aquatic Therapy at **Dove Healthcare - South** features a warm water pool with a height-adjustable floor that functions as an underwater treadmill. The pool is available to patients and community members for their rehabilitation and wellness needs.

Ventilator Care is provided at **Wissota Health** for those in need.

Palliative Care is provided in the distinct care unit Reflections, located at **Wissota Health** and **Dove Healthcare - West**, for those in need of specialized end-of-life care.

Assisted Living at **Orchard Hills** and **Rutledge Home** provides a safe, comfortable step between independent living and a nursing home.

Memory Care services are also provided at **Rutledge Home** for those in need of specialized dementia care.
